

# **VIRTUAL TOUR**

Virtual tours allow leads to get a sense of the property before spending time touring in person. That's just one of their many benefits.

Looking for new, exciting ways to promote your business and keep customers engaged More than half of adult Internet users enjoy your virtual tours .This new technology allows businesses to give customers a glimpse into their products and services. Why spend hours trying to convince buyers when you can offer a virtual tour 24x7, 365 days a year from anywhere anytime in the world.

Virtual tours allow people to take a visual walk through with a few mouse clicks. Compared to photos, this technology offers a more accurate and realistic experience.

# WHY CHOOSE A VIRTUAL TOUR

### **3. Increased Convenience Targeting audience**

The virtual tour we create for you will be a stronghold for attracting more sales. How? Customers usually know what they want when they are looking for a product or service. So, if your tour presents all they are looking for, the customer will immediately come to a decision.

For instance, if you run a beach hotel, the tour will include a captivating photo gallery of your amenities, services, food and beverage products, and contact information. So, if a customer is searching for a beach hotel that has all the amenities and services that we've included in the tour, he is guaranteed to contact you to make bookings.

### **4. Provide a Realistic Experience**

Virtual tours allow people to take a visual walk through an actual available place. They can check out facility with a few mouse clicks. Compared to photos and videos, this technology offers a more accurate and realistic experience. A Virtual Tour can take the viewer to the actual location as if there are really present there. And that can leave a very lasting impression on the viewer.

### **5. Ease of use**

We are living in a technological age, and every day, technology continues to evolve. Today, a majority of the world's population own smart phones, which give them easy and convenient access to the internet. Ease of use help people to use technology to make his mind.

## 6. Greater reach

More Visits to your website - increased customers and more frequent returns

More Time spent at your site increased "stickiness" for visitors

More Exposure - your location/services are on show 24 hours a day, 7 days a week

More Sales in less time - Virtual Tours are proven to generate sales faster

More Information and more customer confidence in decision-making

More to See - Virtual Tour images show the whole environment in 360 degrees

Virtual Tours gives Web users the power to interact with images to get a better understanding of products and locations across multiple devices.

## 7. Visual information

A virtual tour speaks more truth than any photographs! Simply because its viewable area is 360 X 180 degrees. How can you show if your facility has wooden flooring or has a special tiling? What if the ceiling of your music room is acoustically treated and is a masterpiece? A virtual tour can take your viewers to those places you need to highlight. Impress your viewers with the great facility and infrastructure you have created for them gain trust.

## 8. Focus on the key areas

This is in fact, a general advantage of having a school virtual tour online. Prospective parents are going to stay with your website for a longer duration viewing the virtual tour. Time more spend on your website is going to give you an edge over your competitor.

## 9. It increases your sales

Get Quality Backlinks Every time someone shares your virtual house tours online, your site receives a backlink. This not only increases traffic but also helps establish your authority online. Quality backlinks are a key ranking signal. They can increase brand awareness, strengthen your reputation, and drive traffic for years to come. more virtual foot print make more actual sales.
